CHIEF, MEDICAL STAFF, COMMENTS REGARDING RECOMMENDATION NO. 4

1. The Medical Staff concurs in the provisions contained within Recommendation No. 4.

2. In the near future, the Medical Staff will recommend the expansion of the Psychiatric Program into the field of basic research and operational support. This recommendation will be presented to the Project Review Committee as Phase II of the Psychiatric Program.

3. The Medical Staff is in favor of establishing nominal psychiatric staffs in [REDACTED] This action was agreed to in principle some time previous by the Deputy Director (Plans) and the Deputy Director (Administration). The Psychiatric Division of the Medical Staff has recently completed the establishment of the selection program in Headquarters and can now turn its attention to overseas staffing requirements. Consequently, the Medical Staff would recommend the availability of overseas slots for such purposes.
